

The Dots

The Dots are versatile wooden hooks in a functional, vibrant design. Taking a playful approach to the conventional coat hook, Dots can be arranged in infinite numbers and combinations in a variety of sizes. Their diverse range of uses makes them practical for both private and professional spaces. First class oiled oak and ash wood (coloured versions in ash wood). The wood has been carefully selected for this product, as a knot will ruin the design of the product. The wood is cut, glued together in 2 pieces and processed in a CNC turning lathe. Polished and oiled.
