

The Dots

Rendered in strong brass, aluminum, and stainless steel, the Dots Metal are functional objects with a vibrant look. Taking a playful approach to the conventional coat hook, Dots Metal can be arranged in infinite numbers and combinations in a variety of sizes. Their diverse range of uses makes them practical in any home or professional space with the metal body making them particularly useful in bathrooms, kitchens and hallways. Brass, aluminum, or stainless steel with PVD vacuum treated surface. Produced on a CNC leathering machine, carefully lacquered and packed.
