

### Jelly

Jellies, a design for Kartell, is a collection of vases and table centre plates. It represents a continuous search for new tactile and aesthetic effects once again demonstrates technological know-how in experimenting with the texturisation of surfaces. The special feature of this series lies in the conformation of the surface material, which enhances the core that looks like jelly, evocative of the forms used in pastrymaking and of the solidity of the plastic of which it is made.

*Brand:* **KARTELL**  
*Item type:* Vase  
*Item code:* 1227/B4  
*Designer:* Patricia Urquiola  
*Color:* Crystal  
*Dimension:*
