

### **Groove Trivet**

When used as a trivet for hot or cold items, the carved trenches of the Groove Trivet allows air to flow through, leaving the table underneath it undamaged. Though a functional object, the Groove Trivet can also be used as a decorative piece, whether it be as a tray, stand, or on its own, adding texture to any room. Visual variations of the marble render each piece entirely unique; the trivet is available in two sizes and three colors.
