

### **Masters**

The Masters chair is a clear tribute to three symbol-chairs, reworked and reinterpreted by Starck's creative genius. The unmistakable silhouettes of Arne Jacobsen's "Serie 7", Eero Saarinen's "Tulip Armchair" and Charles Eames' "Eiffel Chair" entwine in a sinuous hybrid, creating a fusion of original and attractive styles. Light, practical and stackable, Masters can also be used outdoors. Also available in metallic finishes which convey an extra special effect.
