

BOOKWORM

Bookworm, the flexible bookcase, is the result of the encounter between the creativity of an artist such as Ron Arad, combined with Kartell's technology, giving life to a revolutionary project produced on an industrial scale. A sinuous bookcase that takes on the desired shape without compromising strength and functionality. Available in three different lengths, Bookworm is marked by a series of bookend supports. Bookworm combines flexibility and high strength allowing a load of about 10 kg per support.
