

Goodnight Battery

Starck's exploration of lighting also extends to that most romantic of sources, the candle, with its warm, gentle glow. GOODNIGHT revisits the candle in its primordial form and transforms it into a highly technological object. The lamp is available in a wall-mounted and battery-powered version, with surprising performance in terms of duration and three different light intensities for impressive performance.

Brand: **KARTELL**
Item type: Table lamp
Item code: 9560/TO
Designer: Philippe Starck
Color: Matt Titanium
Dimension:
