

FL/Y

FL/Y is an essentially-styled suspension lamp. The particular transparency of the material and the sheen of the colours recreate the idea of a soap bubble, shimmering iridiscently in the light. The shade is not perfectly hemispherical, with the cut-off falling just below the level of the diameter, offering greater concentration of the light. The lamp is available in three different sizes: FL/Y (diameter 52cm, shade depth 33cm), Small FL/Y (diameter 38cm, shade depth 28cm) and Big FL/Y (diameter 83cm, shade depth 55cm).
