

## **Gallery**

Gallery Low Cupboard is a sideboard with a clean and rational design. The appeal of this sideboard is also the peculiar effect created by the mirror back panel that makes the internal matt lacquered shelves, available in one of the 24 colors of the collection, brighter and more precious. The covering top is available in a lot of finishes: from the matt or glossy lacquered colours, through the 18 Porro woods until a refined and elegant selection of marbles, available in matt or glossy finish. The low cupboard rests on a minimal iron finish metal foot. Gallery Low Cupboard is available in two widths: 3000 mm and 2480 mm.
