

Storage

The Storage unit system allows in fact to create countless compositions easily complying with the space and ambience where it is fitted. Built with particle board structure in white melamine finish or melamine finishing overlaid with veneer sheet. The doors in the same finishing as the structure or in mirror or glass. It features a unique space continuity aspect inside the entire dressing. Storage renews the structure self-standing unit, the side panel, making a tool for the aerial continuity inside the wardrobe. Three different types of structure (units closed with doors, open units and walk-in closet), allowing to create open and closed spaces perfectly fitted and matched together.
