

### **Portofino**

Structure: natural or dark dyed locust heartwood treated with acrylic wax. Plastic spacers. Top: Pietra di Comiso or natural lava stone matching the colour of the structure. Pietra di Comiso and lava stone are natural materials that can present color differences between one slab and another and, consequently, different shades of the hand-finished elements that make up the tabletops in the collection.

*Brand:* **Paola Lenti, Made in Italy**

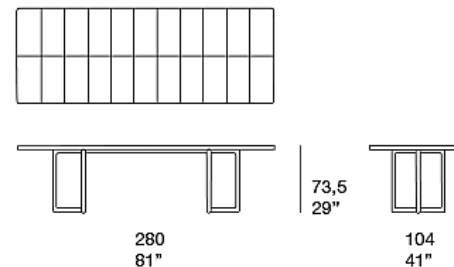

*Item type:* Outdoor Table

*Item Code:* B95M/LE248/PIA802

*Designer:* V. Van Duysen

*Material:* Natural Lava Stone

*Dimension:* 280 x 104 x 73.5 cm
