

TONIETTA chair

Tonietta chair is an eloquent example of product born from a close and fertile collaboration between firm and designer. Won the prestigious Compasso d'Oro Award in 1987, Started in 1981 the chair's project ended in 1985 following constant engineering research necessarily undertaken to exploit a technology, the one of aluminium die casting, that - expensive - had so far been little used in the manufacturing of a domestic chair. Polished or black painted aluminum alloy frame. Seat and back in polypropylene covered in cowhide 95 in the colours indicated on our colour card.
