

IDO

Frame in solid oak or Canaletto walnut, natural painted. Footrest in satin-finished stainless steel. A simple and robust stool, created in natural oak or Canaletto walnut with steel reinforcing tie-rods. I sought out a technical element to contrast with the wood that would be functional yet could also render a certain character to the product. The metal elements have finishing in diverse colours, connecting to the wooden legs to give vitality to a durable and solid product.
